What you will need:

- 6 sheets of card stock
- Glue stick or tape
- Scissors

Instructions:

1. Print each popcorn box fit to page onto card stock and cut along the solid lines. Kids, please have a grown-up help you with the scissors. Each box will have two parts that will need to be glued together first before making the box.
2. Apply glue to the tab on Part A and align to the area indicated on Part B. When the glue has dried, fold along the dotted lines.
3. Apply glue to the remaining tab and secure to the open side of the box. Let the glue dry and then fold in the bottom flaps and secure with glue or tape.
