

Disney  
TIM BURTON'S  
THE NIGHTMARE  
BEFORE CHRISTMAS

Watch *The Nightmare Before Christmas* two different ways (including a Sing-along Edition) when you bring it home today.

# PUMPKIN STENCIL

## What you will need:

- Ready-to-carve pumpkin
  - Standard printer paper
  - Soft graphite pencil
  - Clear tape
  - Ballpoint pen
  - Black permanent marker
  - Pumpkin carving tools
- Kids, have a grown-up help you with the carving tools.

## How to transfer the stencil to the pumpkin:

1. Print the template on standard printer paper. Scribble heavily all over the back of the template with a soft graphite pencil.
2. Tape the template onto a ready-to-carve pumpkin that is clean and dry with the scribbled pencil side on the pumpkin.
3. Trace over the template with the ballpoint pen to transfer the image onto the pumpkin. Define the template with a marker and then carve out the design.
