What you will need:

- 10 sheets of card stock paper

- Glue
- Timer

To make the game cards:

Print the following pages onto card stock. Trim along the dashed lines and fold the cards in half. To make the cards, apply glue to the blank side of the card and adhere.

To play the game:

Choose a card and show everyone else but you the word. You will need to guess what the word is from the clues your friends are giving you before the time runs out. The clues cannot include the word(s) you are trying to guess. The player with the most cards at the end of the game wins.
