

# PIXAR

## ANIMATION STUDIOS

**VISITING PIXAR:** We're looking forward to welcoming you to Pixar Animation Studio! Below are a few notes and guidelines helpful for your visit:

- Bring your government issued ID or driver's license for check-in with security
- Plan to sign in as a visitor at the front desk of the Steve Jobs Building and sign the required NDAs
- Pixar has a "No Gawking" policy. If you see your favorite director or talent around campus, please do not approach them. This is a working studio so we ask that our guests remain professional when visiting our campus
- Do not wander or leave the group without your Pixar guide
- **Do not capture photos / videos while in:**
  - Carpeted areas of the studio; these areas are considered to be "closed sets," unless otherwise noted by your guide
  - Any Cafe Luxo Signage
  - The Pixar Studio Store
  - If you have questions about what you can/can't capture, please ask your host
